BIPARTISAN INFRASTRUC-TURE BILL AND THE ECONOMY

(Ms. BROWN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BROWN of Ohio. Madam Speaker, I rise today to highlight how the bipartisan infrastructure law will accelerate last year's record job growth.

In Cleveland and Akron, more than 50 percent of roads have pavement in poor condition. The infrastructure law will help to repaye these roads and reduce commute times. The law allows public transit agencies like the RTA and Akron Metro in my district to replace outdated vehicles, build new garages, and expand services.

Ohio has more lead pipes than almost every other State in the country. The infrastructure law will help to ensure every child and family in our region has access to safe drinking water. The law will expand access to safe drinking water, and the law will expand access to high-speed internet to the roughly 30 percent of Cleveland households that currently lack it.

These projects will create thousands of jobs across our State, jobs that come on the heels of last year's record economic job growth. In 2021, we had the greatest year of job creation in history. Unemployment is down, and wages are rising.

Make no mistake, the Biden agenda is creating jobs and delivering results, real results, for the people.

HONORING MS. IRENE ROBINSON

(Ms. LETLOW asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LETLOW. Madam Speaker, I rise today to honor a truly outstanding individual from Louisiana's Fifth District. For almost 50 years, Irene Robinson, known to so many of us as Ms. Irene, has been the radio voice of West Carroll Parish, using the airwaves to keep our rural communities informed about the latest news, weather, and events around town. In addition, she is a diehard football fan and spent her Friday nights as the beloved announcer for the Oak Grove Tigers.

Throughout her career, Ms. Irene ensured that her station, KWCL, was a community gathering place. highlighting some of the best in our region. Her love for family and for Louisiana, particularly her native West Carroll Parish, was always evident on the air.

Ms. Irene's late husband, Ivy, also served as her engineer, ensuring that her broadcasts were always a family affair. I can tell you that the sense of family also extended to her guests as well.

Madam Speaker, we are honored to celebrate Ms. Irene Robinson for her many contributions in northeast Louisiana, we recognize the incredible legacy she leaves behind, and wish her
